

Art in the Park Festival

2 Day Show!

Saturday, August 3, & Sunday August 4, 2024

Dear Artists,

We want to inform you about Art in the Park 2024. Please read this letter carefully as there are some changes.

The MWVAA looks forward to your participation in this year's Art in the Park. The venue for this year's festival will again be held at the North Conway Community Center. There will be **three options** for displaying your fine art and fine crafts.

Option #1 would be a 10'x10' space within the gym space where we can accommodate 24 artists.

Option #2 would be the same 10'x10' space under a large tent (located on the west side of the campus) with walls that can be rolled down if there is inclement weather. If you choose this option, please note that we cannot have you put up a pop-up tent (with a tall center pole) within this large tent. The risk of piercing the rented tent is prohibitive.

Option #3 is your own 10'x10' pop-up tent placed against the sidewalk side of the campus. Each option has its advantages and disadvantages. It's up to you, which option you feel suits your needs best.

All three options are priced the same - the member rate is \$150; non-member rate is \$175. There is also a 10% early registration discount. We think you will find the registration fees very reasonable. There is no inflation at Art in the Park unlike so many things in our lives these days! We encourage you to register early to ensure you get to the location you want.

We are lining up three food trucks as in years past but additionally, the NCCC will be selling ice cream treats. The NCCC will have their large tent up all summer with picnic tables for guests to eat and relax. DJ Kristen will be making announcements and playing music to keep the event running smoothly and the festival fun. Judged pieces will be located inside the community center in a small room. Judges' awards will be announced Saturday early afternoon. On Saturday night, two rooms will be available for you to pack up your artworks for security, hopefully a bit more convenient than lugging it to your car.

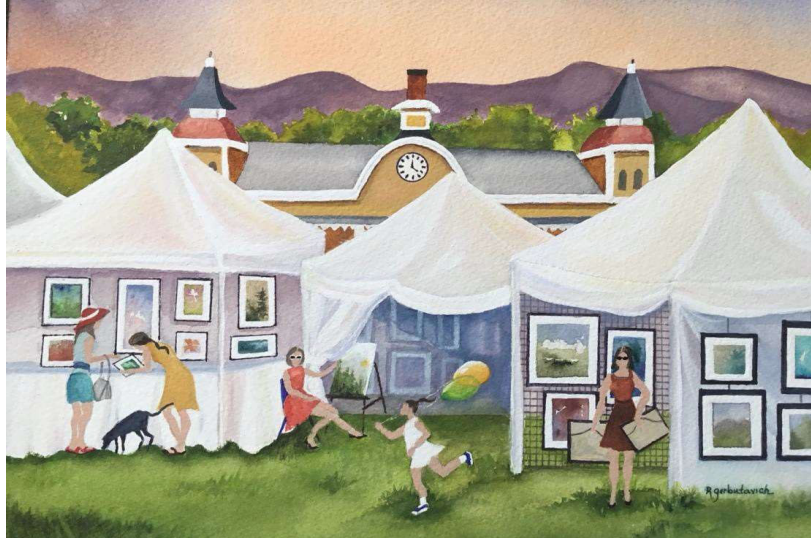

That's all for now. More information will follow in the next few months. Hope to see you at this year's show.
